From the Principal...

It is with great pleasure that I once again extol the successes of our students. Towson's students continue to score in the top level on measures of academic achievement as reflected in the degree of participation and performance on the SAT and in Advance Placement courses. We continue to do well on the High School Assessment Tests given in English, Algebra, Geometry, Government and Biology.

Every week brings a renewed sense of pride as individuals, performing groups, student leaders, and teams perform with character and accomplishment consistent with our school's Tradition of Excellence. As principal, I have had the opportunity to experience this pride in many different ways by honoring our Scholar Athlete, congratulating our recipients of congressional appointments to the Service Academies, observing the leadership and contributions of our Student Government or being a supportive spectator at drama presentations, art shows, musical programs and interscholastic sports competitions.

I am very proud of our talented and dedicated staff and most grateful to our parents and friends who continue to support the school with their time and expertise to help keep us successful in our pursuit of excellence.

In using the word "friends" I am reminded of the pleasure my husband and I had when we joined Mr. William Bevans and the many attendees from all over the country to celebrate the 50th anniversary of the Class of 1953. They shared memorable and fond moments of their years together at Towson High School. That experience crystallized for me the importance of my commitment to providing the most positive and rewarding experiences for each and every student, staff member and parent in our Towson High School family. Thank you all for continuing to feel the pride associated with being a "General for Life."

Fondly,
 Jane Barranger, Ed.D - Principal

A Letter From the Towson High School Senior Celebration Committee

Dear THS Alumni:

Our annual Senior Celebration Post-Prom Party, co-sponsored by the Towson PTSA and held at the Towson YMCA, is scheduled for May 28, 2004. Our mission is to provide a safe, fun, drug and alcohol-free environment for 350-500 graduating seniors and their guests as an alternative to private parties.

Thanks to the generous support we receive from parents, alumni, local businesses and community associations, this event is free to all attendees. The cost is \$50 per student and covers food, prizes, music, entertainment and special theme decorations.

We are asking for your support through the donation of money, supplies, prizes or items that can be offered in our silent auction ("purchased" with play money). Corporate sponsors will be gratefully acknowledged in the Towson Times and the Towson High and Alumni newsletters.

All monetary contributions may be mailed to the address shown below (please endorse checks to the THS PTSA Senior Celebration). Contact Cathy Isphording @ 410-823-8449 for any donated items so we may arrange pick-up.

Thank you very much for your kind consideration of our request. Your support is greatly appreciated by the students and parents of THS!

Sincerely,
 Cathy Lyon Isphording '72

Hall of Fame Inducts Amos and Cross

Charles L. Amos, Class of 1949

Charles was inducted in the THS Alumni Hall of Fame in 2003 for his exceptional character and great accomplishments. From the halls of Towson High to the University of Baltimore to the Martinet School of Fine Art, Charles studies usually focused around the railroad industry.
