A Message from the Office:

In the past, we have mailed six large mailings per year. In the spring we mail out dues notices, followed by the Newsnote, followed by the ‘Senior Scholarship’ fund drive letters. In the fall we again mail out dues notices, followed by the Newsnote, followed by the ‘Teacher Wish List’ fund drive letters.

In an effort to significantly reduce our printing and mailing costs, thereby enabling us to give more back to the school, we have decided to combine the dues notice and fund drive letter mailings.

What this means is that you will no longer receive a separate colored postcard that reads ‘It’s Dues Time!’ Instead you will receive a single letter that contains a dues postcard and an annual fund drive letter.

We will continue to mail and email

the Newsnote as before. We email the Newsnote to any alumni who has provided us with their email address. Those alumni who have paid dues or made a donation are also entitled to receive a print copy of the Newsnote if they choose.

In conjunction with reducing our mailing costs, we are also focusing on improving the quality of our alumni data. We have over 34,000 alumni in the database! Please help us by calling or emailing the office when you or your alumni children move, or you learn that a classmate or alumni family member has passed on.

Thank you,

THSAA Board of Directors

Who is Ted Prince?

Every year a most prestigious Alumni Award is given in his name to the graduating senior who, in addition to being a good student, possesses

integrity and strength of character and most importantly, shows a spirit of loyalty and service to Towson High School.

Edmund Howard ‘Ted’ Prince graduated from Towson High School in 1911.

He continued his education, graduating from Johns Hopkins University in 1915 and the Virginia Theological Seminary in 1917, the same year that the United States entered WWI. To serve his country, Ted enlisted in the U.S. Army as a Chaplain. Unfortunately Ted was killed on September 27th, 1918 in the Battle of Montfaucon, the largest and costliest battle the United States fought, and was buried two days later in the Department of Meuse, France along with more than 14,000 other soldiers.

Who is Ted Prince?

Continued from page 1

This year marks the 100th anniversary of the United States entrance into WWI. The Wayside Cross in the heart of Towson was built (circa 1920) to commemorate, and bear the names of, the 204 Baltimore Countians, including Edmund H. Prince, who served their country and lost their lives during WWI.

Lifetime membership to the Alumni Association helps fund the Ted Prince Scholarship Award.

Sports Boosters

Improvements for Athletic Venue

Plans for the Towson High School building may be uncertain, but Towson Sports Boosters remain committed to improving the school's athletic facilities. Most recently, seating and fencing for the baseball field has been refurbished and a \$30,000 matching grant from the state will fund additional bleacher seating for the stadium. All future development of the sports venue will be done in parallel with building planning, which provides an opportunity to efficiently and cost-effectively coordinate the use of resources.

The master plan includes:

- Resurfacing the track.

- Placement of all field event jump pits, runways and throwing platforms inside the oval of the track.
- Bleacher seating extending from 20 yard line to 20 yard line.
- Construction of freestanding concession stand and comfort station at north end of field.
- Construction of new main entrance at north end of stadium along with new pedestrian bridge spanning creek to allow for appropriate flow of foot traffic from school parking lot.

To make this vision a reality, Towson Sports Boosters will be seeking funding support from the state, county and private donors. You

can help today by visiting towson-highsportsboosters.com and joining Towson Sports Boosters. Your support benefits the entire Towson High community.

Congratulations
