It's Been One Crazy Year!

For the Alumni Association, the crazy year started Friday, March 13th, 2020 when Towson High sent its students home due to the Coronavirus. Thankfully, we had the foresight to slip back into the building the following Monday to snatch the office computer and a few other things, because a week or so later the school closed its doors to everyone except administrators and maintenance. No students, no teachers, no alumni office personnel allowed. Who could have known that it would be a year before the school partially re-opened!

The next few months were upside-down, with students and teachers adjusting to online-learning, adults working from home, and everyone trying to find Purell, Clorox sheets, toilet paper, and our new-normal. Along the way, we learned a new vocabulary. In the beginning it was Coronavirus, pandemic, PPE, self-quarantine, and social distancing, with a lot of talk about flattening the curve. Today, it seems we can't get through a day without wearing a mask, attending a Zoom meeting or talking about COVID, the vaccine, and if your child is participating in in-person, online or hybrid learning. How life has changed!

This is what the past year has been like for us.

After the school closed, we were not allowed back in the building. We had to ring the doorbell to have our mail brought out to us. Out of necessity and convenience, we decided to open a local **PO Box** for dues and donations, which worked quite well. We are still ringing the doorbell at school.

The in-person **Senior Awards** Ceremony was cancelled last year. Instead, we were asked to make video presentations of our awards. All eight of them! After many, many hours of learning the technologies, memorizing speeches, and creating videos, the Senior Awards were presented in an online ceremony. As of this writing, it is still unknown whether this year's ceremony will be in-person or online.

Our 2020 **Hall of Fame and Golden General Celebration** was postponed. We are keeping our fingers crossed that we will be able to induct seven alumni into the Hall of Fame and honor four Golden Generals in June 2021.

The **2020 Reunions** were all postponed. As a result, you will see double the number of reunions listed in this Newsnote issue. Some have been rescheduled, but many are still postponed or even cancelled.

Our **Fall Annual Fund** mailing fell victim to backlogs at the United States Postal Service. Outgoing letters originally mailed November 2nd, 2020 did not arrive in many alumni mailboxes until late December, even mid-January. Incoming dues and donations post-marked December 2020 were still arriving in March 2021.

A big Thank You to the almost 2,000 alumni who sent in, phoned in, or emailed their updated contact information. Please, it's not too late to send us yours!

Congratulations!

To Susan Cunningham Euker '59 on her recently published book 'Love, Mrs. Euker', a series of vignettes written about her return to teaching high school after ten years of retirement. While she aspired to have a positive influence on her students, what she didn't foresee was the unexpected impact returning to teaching would have on her. The book is a love letter to teachers and students everywhere. 'Love, Mrs. Euker' is available online and from Susan's website <https://www.susaneuker.com>.

Do you have a book you would like us to advertise? Send us a copy for our review!

IT'S BEEN ONE CRAZY YEAR!

Continued from page 1

Many deaths from COVID-19, or its complications, were reported and are partially the reason for the long list of **Memorials** you will see in this edition. Our continued research in finding missing alumni is the major contributor.

Our **Board Meetings** were also affected by the closed school building. Like everyone else, we made use of Zoom. This worked well, but we much preferred the meetings that were held when the weather was nice, in-person, with our lawn chairs socially distanced, on the ball fields or parking lot at Towson High!

With pride in our Alma Mater, we thank you for your continued interest and support.

SPECIAL MEMORIAL

Barabara Blackstone Hanlon '42

January 27, 1925 - November 9, 2020

Towson Hall Alumni Hall of Fame

Towson High School Alumni Association

Officer and Board Member of the Alumni Association for over 20 years. Credited with creating the alumni database of names and addresses. Postmaster of the Hydes, Maryland post office for 22 years.

In listening to Barbara Blackstone Hanlon's funeral service online, it was heart-warming to hear her daughter talk about Barbara's days with the Alumni Association. "After her retirement, around 1985, she became involved with the Towson High Alumni. For years, her entire dining room was a make-shift office for alumni business. She would have Dad print out the semi-annual Newsnotes and was so appreciative to those of us who would help her staple, label, and sort them to be mailed. Then, of course, the address corrections came rolling in and they had to be entered into the computer. She also helped organize their class reunion. That is when she started planting the maroon mums on the side of her house. That was Towson High's school color and she wanted to make sure there were flowers for the table arrangements. Additionally, she helped with the alumni booth at the annual Towson town Festival, and even walked with the alumni association in the annual Towson 4th of July Parade." – Thank you, Barbara, for all your years and years of service.
