Digital Yearbook
Order Form

Digital Yearbooks Are Here!

Did you buy your Sidelights yearbooks back in high school, but have no idea where they are now? Maybe you didn't buy them and wish you had!

Do you have a reunion coming up and want to brush up on the names of the classmates you might see?

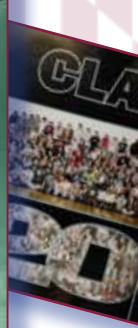

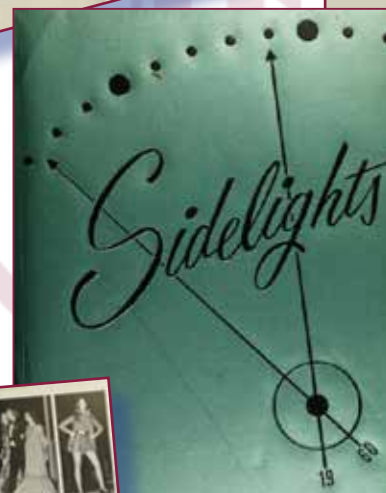

Maybe your parents or grandparents went to THS, and you'd like to check out what high school life was like back then?

Whatever the case may be, we are excited to tell you that digital yearbooks are now available for sale!

We had our hardback yearbooks scanned into PDF documents, which are viewable from any computer! The yearbooks will be mailed to you on a USB flash drive, so make sure your computer has an available USB port. You can view the yearbooks directly from the flash drive, or you can copy them to your computer for faster, easier access. The yearbooks are searchable, so you can go right to the faculty page, or quickly find every instance of your last name. Detailed instructions and viewing tips will be included in the package.

And the best news yet! Each yearbook is only \$25, and shipping is free!

See the Digital Yearbook order form on page 8 for ordering information.

An Update from the Towson High Sports Boosters

Water successfully run to Turf Field Complex!

The Towson High Sports Boosters are excited to announce that Baltimore County completed the build-out needed to bring running water through campus and out to the Turf Field Complex. We are on our way to bringing restrooms, changing rooms, a first aid station and a fully functioning concession stand to our Turf

Field. The concession stand will be a long-term revenue generator benefitting our Towson High School Athletic programs.

The estimated project cost is \$575,000.00. To date we have raised \$245,000.00 from grants and personal donations. Please consider contributing to this important campus project

by visiting <https://gofund.me/1129bb5d> or by sending a check to Towson High Sports Boosters (in the memo line write, Capital Campaign), 69 Cedar Avenue, Towson, MD 21286. Please email heidibowen13@gmail.com with any questions or if you would

like to help with the project. Thank you, Heidi Bowen, Class of 1986, Parent-Class of 2023

Special Notes:

- You will need Adobe Acrobat Reader on your computer, which most already have. It is a free download if not.
- You will also need to make sure you have an available USB port on your device. Most computers have at least one.
- Most of the hardback yearbooks we digitized were new, or like new (meaning that there are no autographs or other writings in the books.) However, some of the books, particularly older books, do have some markings.
